M0490001, Task ID # 1336, Utah County, Utah

Dear Mr. Dalley:

On January 5, 2007 we received your letter requesting an extension to furnish the revised maps for the Keigley Quarry. You have requested this extension to allow sufficient time to incorporate recent aerial flights and topographic detail into the revised maps.

The Division hereby grants your extension request. Your request indicated that draft maps would be available prior to the official submittal on March 31, 2007. We would ask that these draft maps be available no later than March 15, 2007.

Thank you for your continued cooperation. We look forward to seeing the new maps.

Sincerely,

A handwritten signature in cursive script that reads "Susan M. White".
